COUPLES FOR CHRIST™ (CFC groups) **"NEW"**

During the summer/fall of 2008 Peet James and Doug Walquist along with several of their MMFC and WWWC friends began to test the waters on a combined couples group. The question was; Would it strengthen marriages if WWWC and MMFC married couples could "do work" together in a small group? The answer; **YES!**

Starting in January 2009, the original CFC (Couples For Christ) expanded to 2 additional groups. Today, we have 3-CFC within our ministry. Approximately 20-couples are "doing soul work" every month. The outcome has been stronger marriages and strengthening of Christian community! We are now ready to expand....

If YOU are INTERESTED in starting a Couples For Christ group in your area, here is all you need to do;

- 1) Get the interest of 5-couples who both have experienced their Phase 1 weekends (MMFC & WWWC).
- 2) Then, contact Doug Walquist (Doug.Walquist@seakr.com) when you have your group assembled.

TESTIMONY (5/26/09)

I cannot express my gratitude for what MMFC Weekend #61 started and revived in me, but please know that I am offering my prayers for this movement and it's continued success. I hope to become a humble servant for this movement, and use my talents to reach other men like myself. God Bless all of the MMFC Team for their love of Christ and for their love of bringing men to Christ.
