MMFC - Now in Its 6th Year of Ministry!

A Note from the Head Coach - Steve "Spice" Spicer

Holy men and disciples of our Lord and Savior Jesus Christ, HAPPY and BLESSED 2009 to you!! I want to encourage you to not "play small" this year, but instead lean into the anointing that is on your life from our Lord. How about trying this in 2009 to get fired-up in your faith walk this year

- #1 - Wake-up every morning and state your God given life mission to yourself!
- #2 - Prioritize God's word in your day by reading HIS WORD (Bible) as the first data that you take in.
- #3 - Prioritize your ministries. God is #1 in your life, but who receives His love first, second, third as you live out your God-given mission?
- #4 - Show UP. Where in your life do you not show up, but instead hide your gifts or play small. You and I playing small and hiding God's gifts serves no one. Instead, show-up as a reflection of God's bountiful gift bearer and give your gifts away to others that they too might be blessed. By doing this, you will be living out the "good servants" in Matthew 25.

We just celebrated our 56th Phase 1 weekend in early January with 22-missioners (about 1/2 were full time ministers, church workers, pastors, etc..). It was AWESOME! Let me share with you one of the most powerful testimonies from one of the pastors attending this January P1 Experience:

"Thanks for the 44-hours together on the MMFC experience. In its context, I was overwhelmed with the power of Christ - beyond words! Now, back in "my space" it begins to take shape, make sense, and bear fruit. Those I trust tell me I'm glowing, I'm standing taller, speaking more directly. I continue to feel unapologetically empowered, strong and "on fire" with the love of Christ.

I told every man I came in contact with this weekend at Church about MMFC. I was handing out the business cards like a mad man! I've decided, I can invite every man I come in contact with to be a part of it (MMFC)... I've already told the other men on my staff that this isn't an option. The Spirit is alive in my heart in a way I've never before experienced due to MMFC and I'm holding on for dear life! Be assured of my prayers for your ministry and presence in this world. May God bless you as richly as you have blessed me and other men." Fraternally, Clint

MMFC (OFFICIALLY) GOES GLOBAL!

Board approves new MMFC VP of International

The MMFC Board of Directors has approved an international division of MMFC Ministry. That's right! We now have an official department for international activity & focus. Randy Stensgard will be filling this new position, reporting to the President (Head Coach). Our idea is to have a 5-year plan that incorporates bringing MMFC to various international destinations with the full Phase1, Phase2, and sustaining Phase3s. We have Germany in our view for 2009! Please join us in prayers as we continue to seek our Lord's guidance for HIS ministry!

Invite men you love to attend these weekends. Staffing is such an incredible experience.

Some men have approached me & said that they do not feel "qualified" to staff. Can you pray? Then you can staff! Remember the parable of the Talents... are you burying or multiplying!?

If you are planning on staffing, please sign up ASAP so we can gauge how many out-of-state brothers may need to attend. Please pray about & consider staffing at least one of these weekends. Go to www.markedmenforchrist.org to sign up!
