

# Mission, the Next Level

## Phase 3 Soul Group protocol

### INVOCATION:

No specific invocation is needed.

### CHECK IN ROUNDS:

Check in rounds as normal but don't do a mission round.

### SCRIPTURE SHARING:

Close your eyes and what Scripture comes to mind when you state your mission?  
Share it with your brothers (allocate 15-minutes)

### SOUL WORK:

This work is around going a little deeper with your mission statement.

PART 1: Have each man answer Step 1, Step 2 and Step 3

PART 2: Invite each man to the center of the circle – state their mission out loud and then the soul brothers can challenge and/or encourage their friend!

A mission statement is made up of three parts: Role, Vision, and Action.

1. **ROLES** - Answers the question, **who are you?**
  - a. Who are you to God?
  - b. Who are you to yourself?
  - c. Who are you to your family and friends?
  - d. Who are you to your community?
2. **VISION** - Answers the question, **what would the world look like?**
  - a. What is your greatest sin?
  - b. What do those closest to you point out?
  - c. What wound or need is underneath this sin?
  - d. What would the world look like if you acted the opposite of this?
3. **ACTION** - Answers the question, **what am I created and equipped to do?**
  - a. What was it about the mentors/coaches/dad/ministers/heroes in your life, which attracted you to them? Is it possible that **YOU TOO** have these gifts (traits)?
  - b. What are your strengths?
  - c. What do those closest to you point out about the "Light of Christ" in you?
4. **Mission** - Put it together
  - a. My **Roles**, I build/co-create/help **Vision** by or through **Action**.
  - b. Update your mission statement if necessary. Pray before you make changes.

### CHECK OUT:

Check out by gathering the men together and having each man state their new mission statements and then **state 1-ACTION** that they will take **TODAY to be in-mission!**
